Join us for a timely discussion presented by Dr. Mark Bertin, Developmental Pediatrician entitled:

*Managing Media with the Brain in Mind:
The Science of Technology and Child Development*

Dr. Bertin is a developmental pediatrician and author of *How Children Thrive*, *Mindful Parenting for ADHD* and *The Family ADHD Solution*, which integrate mindfulness into the rest of evidence-based pediatric care. He is a contributing author for the book *Teaching Mindfulness Skills to Kids and Teens*. Dr. Bertin is on faculty at New York Medical College and the Windward Teacher Training Institute, and on the advisory boards for the non-profits Common Sense Media and Reach Out and Read. He is a regular contributor to Mindful Magazine, and his blog is available through Mindful.org and Psychology Today. For more information, please visit his website at www.developmentaldoctor.com.

This program is free to WCPA and NYASP members.
There is a \$15.00 charge for non-members
